Similar to Plaintiff's Initial Disclosures and initial discovery responses, you will receive a Google Drive link where the above referenced documents and information can be accessed. Please let me know if you have any technical issues accessing these supplemental documents and recorded videos.

The ongoing onslaught of new information and witnesses that I continue to receive on a consistent basis has revealed a myriad of inconsistencies in Jeremiah Russin's testimony as well as your client's pleadings and testimony. As one example, the above referenced information includes photographic evidence of your client engaged in sexual acts with one of his subordinate female agents (which Mr. Russin denied). Similarly, there is droves of evidence of workplace violence, hate speech, drug abuse, sexual harassment, sexual assault, and other legal claims at the hands of Michael Russin and Simon Arias. At best, it makes your client's "story" of "playing an aggressive male character on tv" incredible. At worst, it is evidence that Mr. Russin has perjured himself on more than one occasion. In any case, the evidence also continues to reveal significant inconsistencies between your client's testimony and representations from American Income Life Insurance Company and Arias Agencies.

For these reasons, I intend to conduct further discovery to include additional depositions and third-party subpoenas. Please advise if you are agreeable to a 45-day extension of discovery. If I do not hear back from you by 5:00pm EST on Friday, February 10th, I will proceed with present a Motion to Extend Discovery to Judge Horan in that regard.

Sincerely,

/s/Amy N. Williamson, Esq.
